PRESS RELEASE

BAR HILL INFORMATION BOOKLET

We are now in the process of compiling the new Bar Hill Information Booklet, which will be distributed to all Residents and businesses, within Bar Hill and those moving in over the next year.

Should your company or firm wish to place an advertisement please contact Alan Cheat, Stonewheel Ltd., 10 The Mall, Bar Hill telephone 81919.

Remember, even if your firm is not in the village, you will still get business as a result, by virtue of the fact that Bar Hill is a dormitory village and many people conduct their work within the Cambridge area and as far away as London, the potential of any business advertisement is obvious.

It was reported that tens of thousands of tablets and pills were returned ranging from indigestion tablets to controlled drugs and even 5 jars of cyanide, some items were up to 15 years old, the total amount collected was 178 Kg.

P.A.N. (PRACTICAL ACTION NOW)

We aim to co-ordinate any practical help for those in need both at home and abroad. At present we are working for the Co-Workers of Mother Teresa, Gingerbread (for single parent families) and Women's Aid (formerly Battered Wives). We have had a wonderful response from people willing to knit or sew and also with many gifts of serviceable used clothes. Thank you very much. More help is always needed and welcomed - please contact any of us at the addresses shown below if you would like to help. All materials will be provided, and you can put in as much or as little time as you like.

There is now a box in Anne Norman's wool shop in The Mall for any gifts of wool. We can make good use of any oddments of wool no matter what ply or colour, and of course they need not necessarily be complete balls. Our thanks to Anne Norman for kindly co-operating in this scheme.

Thank you to everyone who has helped in this work - it is so much appreciated by those people who would otherwise have so little.

AN OPEN LETTER TO ALL RESIDENTS

Dear Resident,

Since my last letter the Government have announced the expansion of Stansted Airport, a move which will have far reaching effects on Cambridgeshire. The Planning and Research Committee to which I have been appointed will play a major role in co-ordinating the Counties response to the pressures the new Airport will bring. Cambridgeshire must not miss this opportunity to promote new Industry, Commerce and Tourism to the areas of high unemployment, Careful consideration must also be given to Housing development policies and the effects on the environment. I would welcome your comments and suggestions.

County Council Members have since the election had a series of Induction meetings to inform all Members of Current Issues and Forthcoming Problems which need to be solved in the coming months, as well as learning Committee Structures and meeting Senior Officers. I have attended three Seminars on Education which have included Libraries and where the subject of a permanent Library at Bar Hill was seen as a high priority by Officers. I will be pressing for it's inclusion in next years capital programme. I also attended a meeting to discuss the system of Parental Appeal against the LEA's allocation of school places. A parent having the right to appeal against the allocation at any time during the child's school career. If you have a problem of school allocation please contact me. Another of my recent duties was to sit on the Panel which appointed the new Head at Barrington Primary School. I've also been re-appointed to the Community Education Working Party which is undertaking a fundamental review of all Community Education Services.

During June my wife and myself had the pleasure of entertaining for four days guests from Chula Vista, San Diego, California, U.S.A. It may surprise you to know that Cambridgeshire has Community Education links with Chula Vista and a number of working exchange visits have taken place in recent years.

I have had a response to my letter from the Highways Department which is encouraging news for the repair of local footpaths. I have also been following up the issue of a Youth Leader and Youth Activities in the Village. There is to be a meeting in early July between the Community Officers and Village Representatives with a view to an Autumn Youth Programme.

I can be contacted at 4 Pattitts Close, Dry Drayton. Tel.CH 80975

Yours sincerely,

John Reynolds

BAR HILL CONSERVATIVES

Summer Barbecue will be held at the Church Centre on Friday 5th July at 8.00pm. Tickets (£2.00) available from Roger Hall, 11 Almond Grove or Cllr. Robin Cruse, 1 Pheasant Rise. The guest speaker will be our new County Councillor, Mr. John Reynolds.

BAR HILL COMMUNITY PRIMARY SCHOOL

I must first apologise to you for the non-appearance of last months letter - the original letter lost itself between the school and the editor. I do hope that the separate letter sent to you managed to keep you informed regarding the activities at your Community School.

The Jazz Dance Workout has been enjoyed by those taking part and another course will be held in September - more news in the September newsletter.

The Young Motorcyclists evenings are going ahead and start on Tuesday evenings - 25th June onwards for 4 weeks. I was disappointed not to see any young ladies amongst those who expressed an interest. It's still not too late for any youngsters to come along so please don't be shy.

On the diary for this month I have added several 'school' happenings which you are invited to. The P.T.A. Bingo is always good fun and the two Sports Days (weather permitting) are two excuses to bring a deck chair along and sit in the sun. The school Open Day is also a time when adults - besides parents of children in the school - are very welcome to see the school in action.

For those about to embark on their Summer Holidays may I wish you good weather, a re-creation relaxing time and safe journeys.

Irene Abraham
Community Co-Ordinator

BAR HILL ALLOTMENTS AND GARDENS SOCIETY

Firstly, a final reminder to anyone who wants to enter the garden competition, please ring one of the committee whose telephone numbers are listed at the bottom of this article.

As mentioned last week, we will not be having a vegetable and flower show this year due to lack of committee members to organise it, the increasing costs and the general lack of support from residents. On the allotment and shop front things are going very well and despite the wet weather it looks like being a good growing season. The shop is open every Sunday 11.30 to 12.30 as usual and all are welcome to come and have a look round.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 20th June in the Village Hall.

New Parish Councillor

The Council is pleased to welcome David Campbell of 85 Foxhollow who has been co-opted to fill the vacancy left by the resignation of Peter Blackman.

Hollytrees Freeholds

Several Hollytrees residents have already availed themselves of the special offer (available until September 1985 only) to buy their freeholds at 1979 prices. This offer is open to anyone who has been in residence in Hollytrees since 1st January 1979. Please contact the Clerk, Alec Green (tel. 80978) for more information. All income received from the sale of Hollytrees freeholds is being invested in a separate account to be used exclusively for the upkeep of the watercourse running through Hollytrees.

Youth Club

The future of the Youth Club is still of great concern to the Parish Council and a meeting is to be held between representatives of the Parish Council, the County Council and Swavesey Village College to discuss possibilities and future plans. A report on this meeting will be given in the next issue of the Bar Hill News.

School Governors

The Parish Council is to nominate three representatives to the Board of Governors of Bar Hill C.P. School and will be discussing who these representatives should be at its next meeting. If you are interested in becoming a School Governor, please contact the Clerk on the above telephone number for more information.

Miscellaneous Maintenance matters

Work has started to repair the damage to the balancing lake and the Clerk will be having a site meeting with Central Ideal Homes Ltd. to discuss the standard of the work. Several residents have pointed out that access to the bus shelters, particularly the one at Pheasant Rise, has been difficult in the wet weather and the Works Department will try to find a solution to the problem.

The next meeting of the Parish Council will be held on Thursday 18th July at 7.30pm in the Village Hall.

N.B. We recently spent a substantial amount of money on renovating our sandpit. We would, therefore, ask that those boys who use the structure for BMX practise, kindly stop, and would warn that anyone found doing so may be liable to prosecution.

Also, would those visiting the Social Club please remember that the sandpit is only for the use of children UNDER 5 !

Chris McDermott,
Vice Chairman.

BAR HILL PRE-SCHOOL PLAY GROUP

Firstly, many thanks to all those who contributed to the Homemade Stall at the Fete on 29th, and also to those who came along and supported the stall and the Children's Corner. We also trust that those of you who came to our Open Afternoon found it interesting and enlightening.

On Saturday 13th July, 2-4 pm we are holding a Jumble Sale in the Church Centre, so please "dig deep into your cupboards"!

Our Annual Sports Day will be held on Thursday 18th July. After the actual events we will be having a communal picnic and we would ask that each mum brings an item of food, e.g. biscuits, crisps, cakes, etc., drinks will be supplied. There will also be a raffle. Let's hope the sun shines for us.

Finally, on Thursday 25th July members of the Committee will be manning (womanning?!) a Charity Market Stall (Market Square, Cambridge) selling sandwiches and rolls. If any of you could donate any items for the "fillings" would you please advise a member of the Committee and they will arrange collection.

One last item to bring to your attention is that during August we propose holding a series of Fun Days where the children will be able to enjoy some fun and games while mum takes a well-earned break. Please see Playgroup noticeboard for details.

As you can see the summer months are going to be busy in the life of your Playgroup and we look forward to receiving your continued support at these events.

THE SALVATION ARMY OPEN AIR SERVICE WILL BE HELD
ON BAR HILL VILLAGE GREEN AT 2.30 p.m.

seen this group in action you've missed an experience). The course is open to all from 14 upwards - even if you haven't a motorcycle we can probably provide you with one to try out but you'll have to bring written permission from your parent if you are under 16. The whole course will be a modest £1 but the Open Evening will be free. For the Open Evening we hope to have a selection of motorbikes both modern and ancient so that you can see the development of the machine. We also hope to have motorbikes to show various aspects of the sport of motorcycling; scrambling, trailriding, enduro, etc. I do hope that this will prove interesting to the young lasses and lads who ride motorbikes round the perimeter road and over the hills and hollows of the village.

Plans are also afoot for a Youth Badminton night at the school for 14 years upwards but this will not start until September. Don't let it be said that we don't try to cater for the youngsters here and if this age group has any interests they would like to follow up, please let me know and we might be able to do something about it.

Now to the other end of the age range. The Over 60's lunch club seems to have taken off and I have received requests for an extra day and so, therefore, from week beginning June 3rd lunch, a cup of coffee and a natter will be available at 12.00 every Tuesday and Thursday during term time for £1. Please let me know on Crafts Hill 80332 by 9.30 of the day you are coming if you want a dinner. Regulars know the drill.

.....

As some of you are probably aware this year several families from the village participated in the 4th annual exchange with Emmertsgrund. They returned, having had a marvelous week with the hospitality of their host families being overwhelming.

We met again for the first time since the visit last Sunday and are full of enthusiasm for their visit here next Easter; plans are already well in hand for the activities during their stay.

We of course welcome all those who are interested in participating in the exchange visits. Over the years friendships have been established and family links formed and one feels that such links can only benefit all those who involve themselves. If you and your family would like any further information about our exchange scheme please contact any of the following.

Mrs. Robin Cruse, 1 Pheasant Rise, 81292.
Mrs. Ann Clarke, 5 Pheasant Rise, 80798.
Mr. Peter Hemsley, 63 Pheasant Rise, 81350.

Next meeting of the group is on July 21st at 7 p.m. at 1 Pheasant Rise; please feel welcome to come along.

BAR HILL CATHOLIC COMMUNITY

July is a good month for Masses - there will be four in Bar Hill this month! Here are the dates:

Tuesday 2nd July End of Term Mass in the School at 4.00 p.m.

Thursday 4th July. House Mass at Anne Crowgon's, 147 Hillcrest, 8 p.m.

Sunday 7th July. First Holy Communion Mass at Church Centre, 11.30 a.m.

Sunday 14th July. Mass at the Church Centre at 11.30 a.m.

Everyone is most welcome to come to any or all of these Masses.

After the First Communion Mass on 7th July, there will be a party at the Church Centre, or outside if the weather is good. Please bring some food to share. The children will also be celebrating the end of term with a picnic party on Tuesday 9th July at 4.00 p.m., meeting at the school as usual. Parents are invited to come too - please bring some crisps, sandwiches, biscuits or similar to share.

Our picnic at Ferry Meadows last month unfortunately got rained off, but nevertheless a good time was had by all on June Malabon's floor (don't take that too literally). We're hoping for better weather this month as everyone, including members of Bar Hill Church, is invited to a barbecue at Margaret Moffat's, 1 The Fairway, after the Mass on Sunday 14th July. Margaret will provide salad and barbecue facilities; please bring some food to cook, e.g. sausages, hamburgers, chops, kebabs (or fillet steak!?) Please bring a bottle too, and if you'd like a swim please bring the appropriate equipment.

Father Damian will be running in the Cambridge Half Marathon on 14th July (before saying Mass!) and if you would like to sponsor him to raise money for the African famine, please contact Margaret Moffat, tel. 82366, or me for a sponsor form.

If you are new to the village - welcome. Please do come to some, or all, of the things mentioned above, and feel free to ring me for any information on Mass times or Catholic activities generally.

BAR HILL SCHOOL COMMUNITY USERS ASSOCIATION

The midnight oil has been burned and the finishing touches are being put to, I hope, an interesting programme of 'happenings' at your Community School next Winter. It's hard to think of cold dark winter nights as we near the longest day of the year but it isn't any good waiting until the swallows gather on the telegraph lines to go away for the winter before acting. Before September though we have a lovely summer (I hope) to look forward to with the Jazz Dance Workout Classes on Tuesday mornings which started on 4th June 10.30 - 11.30 a.m. These are 90p per session or a cut rate of £4.00 if you pay at the beginning for the whole course of 5 weeks. The Get Fit class is being rested until September when it will again run on Monday evenings for those of you who cannot get to a daytime class.

We are having an Open Evening for all young motorcyclists (please mums and dads, mention this to your youngsters) on Thursday June 6th at 7.00 p.m. We hope to start a short five week course for budding Barry Sheene's on handling, balance, mechanics and general understanding of two-wheeled machines. A motorcycle racing mechanic has offered his services as has a leader of the Gale Force motorcycle demonstration team (if you haven't
